### Anne Arundel County Public Schools Redistricting Elementary Students Living on North Severn

As part of the 2017 AACPS Annapolis Peninsula Redistricting Plan, elementary aged children living on North Severn will attend Arnold Elementary School beginning with the 2019-20 school year. The move from Annapolis Elementary to Arnold was delayed due to school replacement construction which began in the summer of 2017 and will be completed in time for the opening of the 2019-20 school year. The move will place students in the Broadneck feeder system of schools: Arnold Elementary, Severn River Middle and Broadneck High School.

### Moving OCONUS this summer with school aged children?

DoDEA's online registration system allows parents to pre-register their dependents for school in a secure online environment. This system is also beneficial in providing the receiving schools with advance awareness of student enrollment. The online registration system is available at <https://registration.dodea.edu/>

**The Non-DoD Schools Program (NDSP)** provides support and funding for the education of authorized command-sponsored dependents of military members and Department of Defense (DoD) civilian employees assigned to overseas areas where no DoDEA school is available within the commuting area. At these locations, DoDEA supports a variety of options for children ranging from home school programs to public or private schools. Approval for the enrollment of an eligible minor dependent of a DoD sponsor must be obtained from DoDEA NDSP office prior to enrolling a child in a non-DoD school.

To register, go to <https://registration.dodea.edu/NDSP/privacy-act.cfm>

### Moving this summer?

Summer is right around the corner! The last day of school for most Anne Arundel County Public School students will be **Friday, June 14, 2019.**

The Maryland State Department of Education has approved a one-day waiver for five elementary schools and one middle school, making the last day of classes for those students Thursday, June 13, 2019.

If your family is planning a PCS move this summer, don't forget to formally withdraw your child (ren) from their previous school. In most cases, you will receive a withdrawal, or transfer packet, with important information from your child's school file that will make it easier to enroll in the new school.

**Most schools will require mandatory documentation to register such as:**

- Evidence of Birth (birth certificate preferred)
- Residency Documentation (mortgage paper/housing document, apartment lease, etc.)
- Medical Records (immunization record)
- One Additional Supporting Document (utility/phone/cable bill, passport, etc.)
- Documentation of Special Services (Current IEP or evaluations, 504 plan, ESOL services, Gifted/Talented services)
